

Dear Parents/Guardians

## 2024 SCHOOL FEE SCHEDULE

The attached letter provides you with the important information pertaining to the school fees for the 2024 academic year.

Enrolling learners and committing to the attached enables NGA to continue providing quality education. The success of NGA has always been dependant on the relationship and cooperation that exists between all stakeholders, NGA Board, staff, parents and learners.

The schools commitment is to offer quality E-Learning education in smaller size classes, employ qualified experienced educators, maintain and develop the premises and enhancing other offerings such as sports and cultural activities. This depends solely on the schools financial capacity and the parents consistent commitment towards your financial obligations.

NGA's value system and beliefs cultivates a deep understanding of each learners strengths thus enabling them to strive for the best not only in their academics. Our passionate educators vision is to strive for learners to achieve beyond their expectations and capabilities. This resulted in our 2021 Matric results where our Grade 12 learners achieved a 97.3% and our 2022 Matric results where our Grade 12 learners achieved a 100% pass rate. This placed NGA as the top achieving academic school of 2021 and 2022 in Eldorado Park and 1 of the top achieving schools in the district.

Our Christian ethos within the school is a pivotal part of each day. Our outreach programs within our community gives our learners the opportunity to nurture a sense of gratitude and compassion for others.

Even with limited space the school strives to look after the holistic development of learners by offering 5 sporting codes. The school achieved much success in 2022 within Soccer and Rugby, placing us in the semi-finals for Rugby and in 2023 being a part of the Curro Derby Day.

CODING & ROBOTICS has formed part of the curriculum. Learners will not only be exposed to the future of technology but they will enhance their minds to think more analytically.

NGA is excited to have you and your child/ren as part of our family for the 2024 academic year so that together we can strive for success in education.

NGA has done its utmost to keep the 2024 fee increase to the minimum without compromising on our standard. We thank parents for their continued support towards the school.

Yours in Education.

**Mr M. Louw**
